ILM Assessment Service

ILM Assessment Service is a cost-effective and quality-assured way to support you with a major part of your workload. Because the assessment team is at the heart of ILM, they know our qualifications inside out. ILM Assessment Service is available for several of our most popular qualifications, including Leadership and Management and Coaching and Mentoring. This reduces the need for marking and internal verification. This service's fees are available from your Business Development Manager.

Terms and Conditions

ILM reserves the right to change the fees in this document during the financial year, however such changes are normally an exception. In case of such changes, ILM will notify affected centres in writing.

Please consult your contract with ILM to confirm which qualifications you hold approval for, and the corresponding qualification code. This code is required when registering learners on the Walled Garden.

The Initial Centre Approval fee and the Initial Provider Recognition Fee give you approval for two qualifications or programmes, which must be registered with us at the approval stage. As of September 2017, new approved centres will need to register a minimum of NZ \$ 9,500 worth of candidates annually.

Please note that Approval Fees are not refundable.

For full details and Terms and Conditions of approval please refer to the ILM website. www.i-l-m.com/customer-handbook
