“We chose to work with ILM because they offer a huge choice of different units, and we are able to tailor the programme according to what individuals need. They also provide a huge variety of tools to help complete the course, including extra learning resources, complimentary membership to the website, and much more, which makes it easy for the trainer and learner to get everything they need to succeed.”

Terms and Conditions

ILM reserves the right to change the fees in this document during the financial year, however such changes are normally an exception. In case of such changes, ILM will notify affected centres in writing.

Please consult your contract with ILM to confirm which qualifications you hold approval for, and the corresponding qualification code. This code is required when registering learners on the Walled Garden.

The Initial Centre Approval fee and the Initial Provider Recognition Fee give you approval for two qualifications or programmes, which must be registered with us at the approval stage. As of September 2017, new approved centres will need to register a minimum of SGD 2,000 worth of candidates annually.
