

ILM Level 2

Award in Understanding Enterprise

Who is this qualification for?

This qualification is designed for anyone considering setting up a business. Learners will explore the implications of working for themselves and while planning and preparing for the practical and personal challenges of launching their new business.

Benefits for individuals

- Understand the process of setting up a business or self-employment
- Think through the financial and other risks involved
- Know the legal and regulatory requirements
- Get to grips with the financial aspects of starting your business
- Tools and techniques for developing your business idea.

The unit 'Assessing own suitability for enterprise' focuses on the learner's personal skills and abilities and their reasons and expectations for setting up on their own.

Progression

Successful completion of this qualification will provide progression opportunities including the ILM Level 3 Award or Certificate in Enterprise and Entrepreneurship.
