ILM Level 5
Award and Certificate in Leadership

Who are these qualifications for?
These qualifications are aimed at managers seeking to develop their leadership skills to get better results from their teams and prepare themselves to take on more responsibility. The qualifications are designed to help individuals have a better understanding of themselves as leaders, and develop the skills to plan and develop their own leadership performance.

Benefits for individuals
● Understand yourself as a leader
● Use feedback and self-review to enhance your leadership skills
● Learn solid techniques for planning and implementing complex pieces of work
● Put these skills into practice in your workplace
● Raise your profile, get results and get a nationally recognised qualification.

Benefits for employers
● Short, concise qualification focused on workplace-based activity
● Give managers the tools to manage their own professional development
● Managers with the self-awareness to lead and the practical skills to deliver results in your organisation.

The Award comprises one mandatory unit, which focuses on understanding different leadership styles, and adopting the most effective style to motivate staff and achieve organisational goals.

At the Certificate level there is an additional mandatory unit which covers using and evaluating action learning for leadership development, and planning and undertaking activities to develop the learner’s own leadership performance.

Progression
This qualification will provide progression opportunities to other new qualifications, such as:
● ILM Level 5 Award, Certificate or Diploma in Leadership and Management.
